

Bellmore Elementary PTA C.A. Reinhard Early Childhood Center Presents

We Are Reading Champions

Pick a Reading Partner 2018

Dear Reinhard Families and Parents:

The Bellmore Elementary PTA proudly presents to you ***Pick a Reading Partner 2018.***

Please join us in our PARP 2018 program: ***We Are Reading Champions!*** It will run from Jan. 2-31, 2018. Students will receive recognition for their time spent reading by handing in their weekly tally sheets (see attached) every Friday for four consecutive weeks (Jan. 6, 12, 19 and 26). Students take a pledge to read 15 minutes every day and we ask that you read or listen to your child read every day. Our goal is collectively read **50,000 minutes** during PARP. At school, students will be able to watch our flags from around the world themed display come to life with their reading progress.

Please have your child sign the pledge (also attached), color it and display it proudly on your front door or window so our reading trackers, The PARP Patrol, can spot it. Students are always excited to hear their street announced in the morning message!

Our goal is that both students and parents will ignite a passion for books and be reading champions this month! We hope for 100 percent participation. Please check the attached calendar for daily events throughout the month, including the date of our PARP carnival – **Jan. 31th!**
