

# READING ROCKS YOUR IMAGINATION

Dear Parents/Guardians and Students,

One of the most important skills our children learn is reading. Reading creates a strong, positive influence and builds a foundation for a lifetime of significant benefits.

**PARP, Pick A Reading Partner**, is a program designed to foster the love of reading in children by asking students to set aside an extra 15 minutes daily to read with a reading partner. **PARP** events are held at schools nationwide.

Shore Road and The Bellmore Elementary PTA proudly presents “**Reading Rocks Your Imagination**” and we invite you to join our week long program beginning **Monday, October 15th**. This packet will serve as a guide for the week, please read through it with your child and see what rockin’ activities we have planned. Take part in these fun activities designed to get your imagination rolling.

Thank you,

The SHORE ROAD PARP Committee,
