## **PARP** - **Pick A Reading Partner ~ Mystery Reader**

### **MYSTERY READER INFORMATION**

Please join us in our **PARP (Pick a Reading Partner) 2022** reading program. It will run from **January 3-28, 2022**. The Reinhard Rising Stars are looking forward to having virtual mystery readers this year. To keep it safe and simple we are inviting parents or family members to pre-record a video (up to 7 minutes long) and to send it to our **PARP** committee. This video will be viewed by your child's class in January during PARP.

**Here's how to participate:** *(Please read carefully and follow these instructions.)*

- Choose an age appropriate book for the student's grade.
- Set up your phone camera at a good angle and record up to 7 minutes of video.
- Be sure to have a neutral backdrop that is appropriate for our students.
- Email your video, child's name and teacher's name to: **reinhardparp@gmail.com**.
- The video will be previewed by the PARP committee and/or Mrs. Castine.
- **Deadline**... send in your video by **December 23rd**.
- Please limit to **one** mystery reader per student!!
- A PARP committee member will contact you to confirm receipt of your video.

### **KEEP IT A SECRET FROM YOUR STUDENT!!**

We are looking forward to this exciting event for our Rising Stars! Please contact a member of the committee if you have any questions!

Sincerely,  
PARP Committee:
